AIR CONDITIONERS  
PRODUCT COMPARISON GUIDE

**DAVE LENNOX**  
*signature*  
**COLLECTION**

Dave Lennox *Signature*® Collection is the ultimate in creating the ideal home. From supreme efficiency to unprecedented performance, this product family delivers incomparable comfort. For those unwilling to settle for anything less than extraordinary, there is only one option. Dave Lennox *Signature* Collection.  
**Transcend Your Air.**

Ultimate Comfort System™ model

iComfort®-enabled model: Designed to integrate with iComfort smart thermostats to give you a higher level of home comfort control

ENERGY STAR® certified model

Quantum™ Coil model: With years of rigorous testing under the most extreme conditions, our Quantum Coil—featuring a proprietary aluminum alloy exclusive to Lennox—is designed to weather the harshest elements

1 Efficiency claim based on comparison of air conditioning and heat pump products' SEER as published in AHRI (December 2018). Actual system combination efficiency may vary; consult a Lennox Dealer or AHRI for exact system efficiencies. Precision claim based on the cooling capacity range of the XC/XP25-036 units as compared to equivalent-sized competitive variable-capacity compressor units.

2 Efficiency ratings as of December 2018 established per AHRI's test standard: ANSI/AHRI 210/240-2008 of two-stage central AC/HP equipment.

3 Air conditioners have sound ratings established per AHRI's test standard: AHRI 270-08 (December 2018). The SL18XC1 has the lowest sound rating of any single-stage air conditioner of any major U.S. brand of air conditioner equipment. Efficiency claim based on comparison of single-stage air conditioner product's SEER as published in AHRI in December 2018. The SL18XC1 has a maximum rated efficiency of 18.50 SEER.

4 Humiditrol® systems must be accompanied by either a variable-speed air handler or furnace and an iComfort thermostat or ComfortSense 7500 Series touchscreen thermostat.

5 Covered components may be eligible to receive a 10-year limited warranty. Online equipment registration at [www.lennoxregistration.com](http://www.lennoxregistration.com) is required within 60 days of installation (except in California and Quebec) or Lennox' base warranty will apply. Applies to residential applications only. See actual warranty certificate for details.

6 iComfort® S30 is designed to work with Lennox iComfort-enabled communicating equipment. The iComfort E30 & iComfort M30 are universal options that are designed to work with non-Lennox communicating and non-Lennox systems.
